

HEALTH GUARANTEE

TO BE COVERED BY THE PUPPY HEALTH GUARANTEE:

This guarantee is good for the first 72 hours after the puppy leaves **SUNNYBROOK KENNELS**, and will apply the original owners are still in care and possession of the pup.

CONTINGENT UPON THE FOLLOWING:

- A continuation of the vaccination schedule, administered by a veterinarian. (The schedule will vary from litter to litter and will be given to the new owners before the pup leaves **SUNNYBROOK KENNELS**.)
- Adequate housing, food, and fresh water.
- Confinement of the animal to a fenced yard, run, or to walk on a leash, but not tied out on a rope or chain.
- Administering a monthly heartworm preventative such as Heartguard 30 plus chewable.
- Is fed Royal Canin Maxi Brand Puppy food through 12 months of age. After 12 months of age is fed Royal Canin Maxi Labrador Retriever brand dog food.

IN THE EVENT OF SUSPECTED ILL HEALTH:

Notify **SUNNYBROOK KENNELS** by phone, mail, or email.

If the pup is found by a veterinarian to be of unsatisfactory health within the first 72 hours, and written documentation of the condition presented, a replacement puppy will be made from the next available litter.

A replacement puppy can not, however, be made until the AKC papers are returned to **SUNNYBROOK KENNELS**.

If the puppy is found to be ill within the first 72 hours after purchase, the puppy will be accepted back and another puppy selected.

After the first 72 hours, the pup would not be accepted back and a replacement would be made as described.

SUNNYBROOK KENNELS will assume no financial responsibility for veterinary exams or vaccinations.

TO BE COVERED BY THE EYE AND HIP GUARANTEE:

- The dog must carry the **SUNNYBROOK** prefix in its name.
EXAMPLE: SUNNYBROOK GABLE II.
- The dog must be registered in the original owner's name, and have not been sold.
- The dog must not have whelped or sired a litter.
- The dog must be no more than twenty six months of age.

IN THE EVENT OF SUSPECTED HERITABLE EYE DISEASE:

- Notify **SUNNYBROOK KENNELS** by phone, mail, or email.
- Have the dog examined by an ACVO (American College of Veterinary Ophthalmologists) accredited by 12 months of age. In the event the ACVO accredited veterinarian finds that the dog can not be CERF certified, a replacement made from the next available litter after the following has occurred:
 - Receipt of a letter from an ACVO veterinarian that the dog cannot be CERF certified.
 - Receipt of a letter from your veterinarian stating the dog has been euthanasia, spayed, or neutered.
 - Return of the AKC registration papers to **SUNNYBROOK KENNELS**.
- **SUNNYBROOK KENNELS** will not refund money that has been paid for the dog, or responsible for the cost of tests or diagnostics.
- Diagnosis of hereditary canine disease by anyone other than a ACVO accredited veterinarian will not be considered as valid diagnosis of canine hereditary eye disease.

IN THE EVENT OF SUSPECTED CANINE HIP DYSPLASIA:

- Notify **SUNNYBROOK KENNELS** by phone, mail, or email.
- Submit radiographs taken by your veterinarian to the OFA for their interpretation. In the event that the OFA finds the dog to be dysplastic, a replacement will be made from the next available litter and the following has occurred:
 - Receipt of a copy of the letter from the OFA regarding the results of their x-ray evaluation.
 - Receipt of a letter from your veterinarian stating the dog has been euthanasia, spayed, or neutered.
 - Return of the AKC registration papers to **SUNNYBROOK KENNELS**.
- **SUNNYBROOK KENNELS** will not refund money that has been paid for the dog, or responsible for the cost of radiographs or radiographic interpretations.
- Interpretations of radiographic films by any groups other than the OFA will not be considered as valid.

ACKNOWLEDGEMENT OF GUARANTEE:

I, _____ (*Owner's Name*), acknowledge that I have been provided a copy of the Health Guarantee. I further agree to comply with the conditions of the Health Guarantee in the event that a medical condition occurs.
